Narrative Date: 02/09/2022 10:36:34

Narrative Apparatus ID: C-2

Narrative:

GRFD responded to a structure fire in Jamestown. Upon arrival, GRFD found injuries on two victims inside fire that were sitting in a vehicle, EMS arrived and took over care of the injured and GRFD continued to the fire. GRFD attacked the fire offensively until water was an issue and needed more relayed and more structural firefighters. GRFD command called out District Fire to back them with that kind of support. Firefighters continued to fight the blaze until all was extinguished and then began salvage and overhaul procedure and investigation. After a thorough investigation including GRFD and Sweetwater County Sheriffs Department, it was determined that the fire started to come from a hover board that was plugged in, in the first bedroom. Two dogs were found in the back bedroom that did not survive. GRFD also contacted the State Fire Marshal's Office and it was determined further investigation was not needed. GRFD left after all scene was secure and turned back over to the owners.
